

ARE YOU SMARTER THAN THE STAFF?

Why don't you ask your doctor these questions and see who's smarter – you or them? It's probably you. Well, unless I'm on duty.

1. Which of these is a similar size to a human heart?

A) A fist B) A wrist C) A cyst

2. The heart is the fifth biggest organ in the body. Which of these is bigger?

A) Kidney B) Brain C) Mouth organ

3. How long does the average sneeze make your heart stop for?

A) Zero seconds B) One second
C) Three years, seven months and fourteen days
