

DISCOVER MORE DEXTER

If you want more, and why wouldn't you, you can read more about me, my brilliant friends and rotten stinking enemies in *Dexter Procter, The Ten-Year Old Doctor* and *Dexter Procter and the Case of the Disappearing Doctor* – available in a bookshop or library near you. Well, depending on where you are. I'm pretty sure there aren't any in Antarctica. You can even watch me on TV – look up *Dexter Procter* on iPlayer.

Come on... I'm waiting!
